"And I've never met a nice South African!" as oldies will remember *Spitting Image* puppets singing in 1986. Well, we concurred, at least until we met Nelson Mandela on his release, when he thanked *Escort* for "keeping the flame alive." Wasn't that your missus did, with all those tyres strapped round poor fella's necks in the townships? — we wanted to ask. Anyway, here's the second nice one we've met, working in our local behind the bar. Can we ANC your arse, love?

The hole truth

TANYA, BRIGHTON

CONTACT ME

This is the story of how I discovered my lezzie girlfriend's sex secrets! On the first night with her, back at hers, I laid down next to Lily and started snogging the face off her.

Then she lay back and I started to tongue her perfect pussy till her tangy juices flooded my mouth.

She wanted some of me too, and got me to sixty-nine her, straddling her face. She knew some very sexy tricks, slipping a wet middle finger up my arse and her thumb inside my pussy, then sucking on my clit and humming softly, so her lips vibrated against it.

I went to try the same, but she told me just to lick her, that I was doing fine, and the little shakes that ran through her body seemed to prove it.

Afterwards, I asked what was in the big box in the corner of the room. She told me she had to keep some secrets, sliding three fingers up my cunt till I stopped caring what was in there.

The next day, I walked into her bedroom when she thought I was safely in the shower and saw the box was open and full of sex and fetish gear. She didn't notice me because she was lying, splayed wide open, pumping a big rubber dildo into herself!

I soon got the truth out of her after that!
Lily, Brighton.

Black attack

My darling wife Carla has always had this fantasy of getting fucked by a well hung black guy.

We've played the fantasy out so many times over the years, but I was still surprised when Carla suggested that we actually give it a go for real! Just the suggestion made me so hard. I eagerly asked her what she had in mind. Her plan sounded good – we'd do it when we were on holiday in Spain.

Spain was great, and after a couple of days of looking around to find the best places Carla left me in our room and went off on the pull to find the bloke of her fantasy.

When she returned I was waiting, sitting in the corner. She'd obviously explained it all to the guy, who said hello. Then she treated him to a slow and sexy strip.The enormous bulge in the front of his trousers suggested her black stud was enjoying this as much as me.

Once she was naked, she began to undress the guy. When she finally released his dick I could see why she'd chosen him – he was massive.

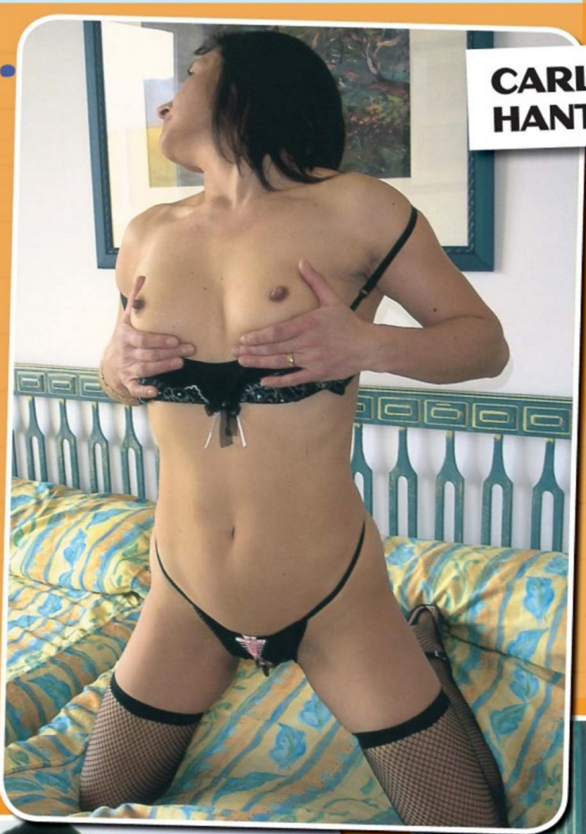
SHE LET THIS STRANGER FUCK HER ARSE WITH HIS OVERSIZED COCK

CARLA, HANTS



Carla knelt down and tried to suck his length into her mouth. She slurped on his big black dick, working her tongue around his cock-head and stroking his bollocks. It was such a turn-on to see my wife acting like such a whore right before my eyes!

She lay back on the bed and offered her snatch up. He plunged his prick into her wet pussy with ease. He started to fuck her and she yelped every time he thrust in.

Carla was getting used to the size now, so got on all fours so he could doggy her. He rammed in again – she was loving it, and it was such a hot sight I had to get my own cock out and wank!

Carla's face was bright red and she was breathing hard. I knew being stuffed with such a gigantic cock would make her cum massively!

Soon, she pretty much lost control and went wild, bucking and pushing back onto the guy's dick. When her orgasm was over she caught her breath for a minute, then looked at me and winked. I wondered what she was doing.

She smeared her cunt juices around her arsehole, and also offered the guy a tube of lube I didn't even know she had. I couldn't believe what I was seeing – she was going to let him fuck her arse!

Once lubed up, he slid his enormous black tool into her arsehole. He could only get a portion of his length in, but it was enough and he began to fuck her arse. It was such a sexy sight I shot my load there and then. Carla was totally into it – what a whore! The guy thrust in and out of her arse. Carla told him not to cum in there as she's never liked that, at which point he pulled out and shot more jizz than I've ever seen shot spurted over her chubby arse cheeks.

After cleaning himself up he left. I was still feeling so horny, but I was worried Carla had had enough. I was wrong though. She said her cunt was sore, but she wanted me to fuck it anyway, the dirty cow. We're curious to try again, maybe with a girl for me too!

Thrill seeker

The thrill of having sex outdoors excites me so much I think I'm obsessed.

The buzz of being seen is what turns me on so every chance I get, I pull down my man's pants and beg him to fuck me. And he is always willing to satisfy my needs.

Most recently there occurred one of my more daring experiences. We were out walking along the river and I pulled my knickers down and asked him to fuck me right there and then. He did and as I came all over his throbbing cock I heard voices in the distance.

I managed to pull my knickers up before two blokes walked past and smiled at us.

The thought of them catching us was a thrill and maybe next time we will get caught. I can't wait for it!

Here's another sexy experience that happened to me.

My new kitchen was being installed and I was ecstatic. I had been waiting months to get started.

When I opened the door to the kitchen fitters and a fit-looking bloke and his mate were standing there, I felt myself blush slightly.

As I made them coffee, they both got to work and we made polite conversation. I couldn't keep my eyes off this fit bloke's body, who's named I knew by then was Colin.

As he worked I saw him building up a sweat before pulling his T-shirt off to reveal his perfectly toned, ripped, muscular body.

As he was turning he caught me running my eyes all over him.

I left the kitchen and went upstairs and to my delight I heard footsteps not very far behind me. Turning to close the bathroom door there he was, looking all sweaty and fit as fuck.

I felt my pussy go all warm and moist at the thought of him bending me over the sink and sticking his rod in me from behind.

As he pushed me against the wall I grabbed his groin to feel his massive hard bulge.

And as I slid my hands inside his jeans

I WANTED HIM TO BEND ME OVER THE SINK AND HAVE ME

SHARON, BERKS

to feel his full length, he took hold of my legs lifting me up before sliding his big throbbing cock inside my soaking wet pussy. I let out a low, guttural moan.

Pulling my hair, he started pumping me hard and fast while I nibbled on his ear and neck. This really turned both of us on and I could feel the very beginnings of my orgasm start to rise deep inside me.

I felt his hand brush against my arse before he stuck his finger in my tight hole.

This sent me over the edge to orgasm and I came all over his cock, squeezing on him as my juices ran down his cock.

Knowing that I had climaxed messily, he smiled and pushed his cock in me slightly harder and poked his finger in my arse slightly further.

With that, he groaned and spunked his hot load right up me. I felt him throbbing as he emptied himself inside me.

As I pulled up my knickers he leaned towards me, kissing me on the cheek and said it was the hottest fuck he had ever had.

It certainly was for me as well, although there was a lot left to be desired with the kitchen!

Sharon, Berks.

TRUE BLUE

"Boss, do you mind if I finish this off tomorrow morning?"

Testing vibrators and sex toys is a job every woman would love to bag. Sex toy reviewer (and lucky bugger) Mia More enjoys her daily grind...

There are lots of sex toys out there. Fact. Some are amazing, some are total crap. I started sex toy reviewing seven years ago, having decided it was time to sort the wheat from the chaff. It felt like I was providing a (very pleasurable) public service.

Currently, I review toys for sex-positive website Cliterati.co.uk, of which I am Deputy Editor. Using sex toys can help enable a healthy sex life. Healthy sex lives lead to better relationships and ultimately a happier you. All that, just from a vibrator? It's possible!

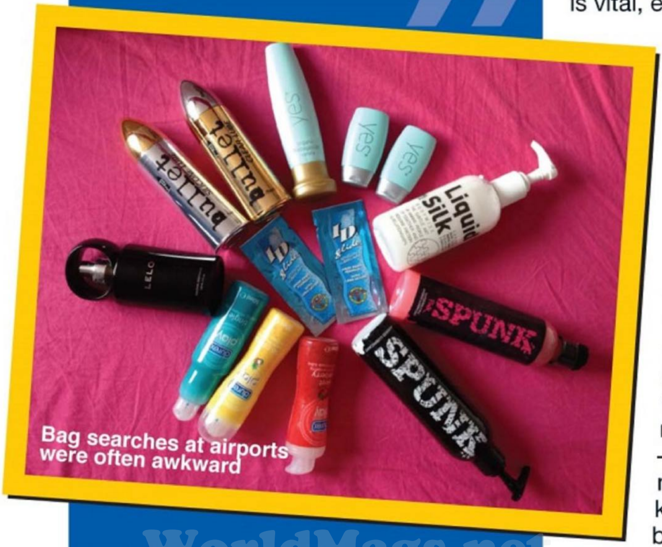
I've tried it all, from clit vibes to fetish gear, and my husband, Mr Roger More, gets to do all of the men's stuff. There's also loads that we test together, helping to keep our sex life fresh as we invent new ways to play. Using a remote control vibe out in public, for example. Or sticking a suction-base dildo to French doors so you're cheekily showing your arse to the garden while fucking that *and* blowing your man. Instant spit roast!

Having a willing co-tester is certainly a bonus, but it's not like I say: "There's this new toy to test so we must have sex now." Instead we'll just use it if the passion takes us there. Working from home, which both of us do, means we're either fighting or fucking, but ultimately I think sex toys have benefited our relationship.

I have literally hundreds of toys, but there is one toy that has become my all-time favourite: the Eroscillator. It's £170 of ugly plastic, but what makes it amazing is that is oscillates rather than vibrates. Using it on my clit, I was like, this is un-be-liev-able! Designed to mimic finger movements during masturbation, the Eroscillator goes from side to side, rather than going at your clit like a road drill. After testing I was convinced (at least for a while) that I could probably throw all my other clit stims away.

Made to pleasure: Mia's bespoke wooden dildo

> **"My favourite sex toy of all time has to be the Eroscillator. It's unbelievable on your clit"**



Bag searches at airports were often awkward

Dildos are another matter and I have the most amazing wooden one in a caterpillar shape. By this I mean it's got waves and ridges all along the shaft, but the best thing is that it was designed to be the same size as my husband's dick! Obviously his cock isn't shaped like a caterpillar, but the measurements are modelled on him. The lower end is an inch less in circumference, as wood is less forgiving than flesh and you might need to work up slowly to the bigger end, which is actually my husband's girth! It's 11 inches of bespoke wooden beauty.

Testing all of these toys is great, but sometimes it goes wrong. Just ask the friend that had to come over with a pair of bolt cutters after some metal handcuffs we were trying broke, leaving one of us – I'm not telling who – stuck to the bed in a compromising position. Funny, but uncomfortable!

Finding a place to store them all is an issue too. My favourites stay in two plastic shoe sized boxes next to my bed. The other hundreds that I own reside in four large sex chests. Fair to say, sex toys dominate our house and often my husband has to remind me that: "We don't need another sex toy!"

Over the years we've broken loads of toys through vigorous humping. Actually, this is a really good indication whether it's decent or not. That's why it's important to test a toy more than once and with a partner where possible. Putting it through its paces – the sex toy, not the husband – to make sure it will stand the test of time is vital, especially as some toys cost £100 or more.

Is the toy able to make me horny? Orgasms are an automatic response. If I'm not in the mood, but a toy is able to get me in the mood and work me towards coming, then you know it's going to be good!

What's next for sex toys? Wands and glass dildos are trendy at the moment. I think we'll see more thrusters, like the Fun Factory Stronic Eins and items like the Revel Body which uses ground-breaking motor technology – sound waves – rather than your usual vibrator motor. Keep experimenting and keep exploring: it's certainly the best thing about my job!

"Ooh, mind my gap," grins the strap-hanging slapper from Camberwell, South London with perfectly scented pits. SEX WITH ALL THE STRINGS

Slave to the jism Daisy Blade explains why she loves a bit of rough with her tumble...

I want to let you into a little secret: I love to be controlled. Being with someone I trust has allowed me to explore my subservient side. I enjoy being Mr Boyfriend's play thing, to fuck and use however he wishes. Resistance, eventually followed by submission, leads to *very* hot sex.

I stood at the end of the bed and waited for instruction, unsure of what he'd ask me to do first. He knew what I wanted to happen.

"Take off your top." I did.

"Remove your bra." I did.

"Play with your tits." I obeyed.

He lay back on the bed naked and as I massaged my huge tits I watched his dick stiffen. Seeing his increasing excitement turned me on more.

"Stop. Come and suck my dick," he ordered. Kneeling between his legs I took him into my mouth, kissing, lapping and finally sucking him fully. While I worked his cock with my mouth he lay back, hands behind his head, and thrust his hips to get deeper down my throat. It didn't take him long to settle into his role and take further advantage of his position. Slipping off my shorts, he then moved my thong to one side and fingered my pussy while I sucked him off.

You're confined to bollocks, my girl!

It was quite tame until he put the collar around my neck. I was now his servant, his fuck toy. Mr B pinched my pussy lips and spanked me. Moaning, I tried to take his cock out of my mouth, but he commanded I hold it there.

He growled, "I'm going to finger and spank you until you cum. I want to hear you moan an orgasm all over my cock." Seriously, there is nothing sexier than being *ordered* to cum.

I struggle with his dick in my mouth. Being able to moan loud and hard is part of my release. With him filling me I could only get muffled noises out, afraid that if I let go of his dick he'd stop working my pussy, spreading my lips wide before dipping his finger deep inside to find my G-spot, his thumb simultaneously rubbing my clit. Seeing me struggle made him hornier and I soon came all over his fingers. I was a quivering mess. Surely he'd give me a moment to compose myself?

No chance. He'd got me in exactly the state he wanted me. My snatch was dripping wet and ready to be fucked and filled with spunk.

Taking hold of the metal ring on the front of my collar, he clipped a chain to it that was looped around the foot of the bed. I was his captive. Kneeling on the floor, I looked up at him. His dick was pointing at my mouth. Instinctively I leaned forward to take it. He moved back. What a tease! "Lean forward with your head on the floor." I did and my pussy was forced into the air, totally exposed.

I couldn't see him, I could only feel him. Dipping the head into my cunt, he teased me. I'd recovered from my first orgasm and, feeling greedy, wanted another, but only he would decide when.

Stroking in and out of my slit, he grabbed my hips with one hand and pulled on the chain to lift my head up with the other. Mr B was riding my pussy like a pro and there was only one thing he wanted: to turn me into a filthy spunk bucket and make my little snatch take it all.

Knowing I was being used for one purpose made me wetter. I had a long, intense orgasm at the thought of that while he fucked me, hard. Ruthlessly, he pumped my cunt until I felt him take two longer strokes and then hold himself deep inside me. I felt him spunk, which made me orgasm again – I love feeling his cum shoot out.

When he'd done, he pulled out and relaxed on the bed. He threw me a towel to clean myself up (what a gent), but left me naked and chained up until he was ready to go again.

Formula One: it's not our idea of fun to watch tax-dodging millionaires play at glorified go-karting. So they can go fast, but I've not seen them try to reverse park into the last spot outside Tesco Metro after four pints of scrumpy. There's no safety car for that! For some reason, Chloe is a motor racing fan, so here at Escort Towers, and only for her, we've set up our own grand plea: "Please will you give us a shag, Chloe!" Competition for the chequered flag is bound to be stiff when it's attached to her skin-tight trousers!

I TELEPHONED MY BOSS WITH A COCK IN MY PUSSY

Wanking from home

Working from home means I can get up five minutes before my working day begins, and walk – sometimes drag myself – over to my desk!

Recently, my bloke, Dean, slept over at mine, and when it was time for me to get up for work, I just left him in bed. But, about an hour later, he came strutting into the room I use as an office, stark bollock naked and with a massive hard-on. Good thing I didn't have my computer webcam switched on!

"I'm trying to work," I said.

"I know," he told me, and started wanking next to me.

Sometimes I'm too professional for my own good, and I just carried on typing. But as Dean got more and more worked up, I kept looking over at him, glancing at his cock. It looked so tempting!

In the end, he won. I put his salty cock in my mouth.

Suddenly the phone rang. Dean told me to ignore it. "Keep on sucking my cock instead," he said.

A few minutes later the phone rang again, and this time he pulled out and dared me to answer it. I sucked him in deep one last time, wetting the whole length of his shaft with my spit. Then I watched his hand slide up and down it in a blur, while I answered the phone.

I tried to play it straight, but I was too distracted. The best thing I could do was grab Dean's cock and wank it a bit slower! "Sorry, I was in the loo," I told my manager. If I'd looked Dean in the eye now, I'd have lost it.

Now Dean reached down and pulled my tits out of it, then wrote "Talk to him in the nude" on my notepad by the phone. I knew arguing would just lead to more trouble, so I let the robe fall off and sat there, tits stuck out proud. Dean gave them a rub, then walked his fingers down over my stomach.

Luckily, I managed to end the call before he reached my cunt. I wanted to kill him – but not before he'd made me cum! "If I shag you, will you fuck off and let me do

VIOLET, COVENTRY

some work?" I asked.

I braced my hands on the desk, Dean finger-fucking me a little bit more – if I told him to get on with it he'd take even longer. Anyway, I liked it! And it was probably just a minute before he put his cock in my cunt and started shagging in and out. My pussy had had a bit of a seeing to the night before, so I was really feeling it now.

The phone rang yet again, and he told me to answer it – or he'd do it for me. This was so off-the-scale crazy, I actually managed to stay cooler than I'd done before, talking normally to my manager. To be fair, Dean didn't slam me like before, he just stayed deep inside me.

After hanging up I left the phone off the hook. Now Dean could fuck me hard as he liked. He really gave it to me, and as I started cumming I felt him jizz inside me too. For as long as he could stand to, he stayed inside me, frigging my clit till I came again. Then he pretty much staggered off to the bedroom to sleep it off.

I was so energised that I got loads of work done! The thought of knocking off for an hour of cock at lunchtime motivated me too!

Smear taste

[redacted]

SARA, E. SUSSEX

[redacted]

My girlfriend Sara knows her way around a pussy – as you'd expect because, as well as being a dyke, she's a practice nurse for a GP!

One time I called for her at the surgery, on the way out to see our friends. And when I saw the examination table in her office, I said we could try a bit of roleplay!

She looked shocked – obviously she's got to be professional at work. But I wasn't letting go of the idea! One night a few weeks later, I called by after hours when I knew she'd be there catching up on paperwork.

I said I had an ache in my pussy and could she take a look? She gave me a massive talking to, saying she'd probably get sacked if we got caught. I totally ignored this and said, "I'll just take off my knickers, shall I?"

She sighed, then snapped a latex glove on, squirting a load of lube over it. She sort of went into work mode, on autopilot, like she was seriously looking for something wrong. Then she winked at me and started fingering my hole. She fucked it hard, her other gloved hand playing over my clit, the rubber adding to the friction. Then she dipped two fingers in the lube and started probing my arsehole too.

I took over playing with my clit – my free hand over my mouth so I didn't scream too loud, and it was like my moans went through my body instead, making me shudder all over as I came.

Now she got right into it, telling me I'd have to bend over the table so she could check me from another angle. She wheeled her chair over to me and sat behind me, spreading my legs a little, then splaying my cheeks so she could tongue my cunt again and get me wetter.

She said my pussy was shrinking and tightening through lack of use – yeah, right! – and she'd need to perform an emergency procedure. Then she rummaged in a drawer and took a vibrator out of there. I still don't know why she kept one there, I was just glad that she did.

She started fucking my cunt, fingers still playing on my clit. Then she switched over, jamming three of them in my hole as she turned the vibrator on. Somehow she managed to squeeze my most sensitive spots in between the tip of the toy and her finger, so I was almost sobbing with pleasure.

"You're still orgasming fine," she said in her medic's voice, as I started cumming.

I returned the favour with my tongue. She pumped her hips against my mouth and I tickled her G-spot with a finger, which I knew would finish her off.

Almost instantly she started cumming, and I felt a forceful spurt of juices over my thrusting tongue.

After a night of rampant fucking in our bed, she decided to call in sick!
Melanie, East Sussex.

"I was on holiday and thought I was going to make out with my man privately in a secluded sand dune," she admits. "It was only when we were halfway through it that I realised we had been causing quite a rumpy-pumpy rumpus with a big group of lads who started cheering us on! I just waved at them, flashed them my tits and gave them a good show of rampant rogering!"

size queen

A woman in Wigan responded to one of my ads on a casual sex site – she said she was interested in my dick measurement as I said I was quite well hung.

I drew around it stiff, scanned it and sent it back via email. She got right back to me with a naked picture of herself, and she was dead keen to meet up, so we arranged to meet up in Coventry at a pub for a drink and something to eat before going to the B&B.

FRANCINE, WIGAN

I FELT HER WET LIPS CLOSE ROUND MY HELMET

Francine was really easy to get along with and we were flirting freely by the time we were ready to eat. We hurried through dinner and headed to the B&B.

We signed in as Mr and Mrs Smith, which we both found funny, and went straight to our room. Francine – which was this babe's name – told me to sit on the bed and watch.

She slowly and seductively stripped for me, all the time telling me how much she wanted to feel my cock embedded in her pussy.

She wouldn't let me touch her yet though! Soon she was down to just bra and panties – I couldn't wait for her to be fully naked and feel her flesh against mine. My cock was straining in my pants!

I grabbed her around the waist and buried my tongue into her cunt. She gasped as I found her clit, and her pussy juice started to flow over my tongue.

When my cock was finally released it was a relief – but not as great as feeling her warm, wet lips close around my helmet as she slowly took my cock into her mouth.

She bounced her head on my cock, and tugged at my balls, so that I could tell that she wasn't going to stop. She kept going until I jizzed over her tongue and lips.

She got off the bed and bent over the back of a chair. I knew what I had to do, and my cock was up for more. I hardened myself up again by rubbing my cock over her wet pussy lips, and when I was stiff enough I sunk my cock in to the nuts!

I started to fuck her, and found that she liked to control the pace. She started really slow at first, ever-so-slowly building up pace. I dug my dick in deep as she wanted it fairly hard.

We stayed at a good steady rate for a while then she pushed back harder and faster, so I let it all out and banged her for all I was worth. I was rewarded with her cunt squeezing my cock hard as she came, but she kept the pace up all though.

We swapped to missionary position on the bed and again she controlled the pace. Soon we were up to speed again and I could feel my jizz boiling up for a second go! I held it back as she came again. This time, I could see she was spent for a while so I pulled out and sprayed her with another helping of jizz!

The next morning we fucked again instead of having breakfast, agreed never to meet again and went our separate ways.

Mike, Notts.

LIGHTS CAMERA SUCTION!

AdultMags.net

Just 18, pixie-faced Chloe looks so sweet and innocent we were worried for her elfin safety. We needn't have worried – she hasn't been kidnapped by Albanian traffickers to strut her gorgeous young assets in our pages, she's just a sweet, sexy and very horny young girl from Clacton who loves to suck cock and wants to make it big in magazines. She's made us big anyway, so a good start. Look out for more of Chloe soon.

HE NIBBLED ON MY NECK AS WE FUCKED

When I divorced my limp-dick hubby, I decided to sell the house.

I didn't have the money to get the garden made over, but a bloke called Davey, from a local allotment, agreed to do it in exchange for the gardening tools my ex had left behind.

He was sort of rugged and grubby – just manly, really! And it didn't help that he always showered at mine before driving home – the thought of him stripped down and scrubbing off the muck and grime got my pussy seeping! Soon I was dressing to impress – nothing tarty, just pretty little dresses that showed off my figure.

On the last day, he called for a towel and, when I went to pass it round the door, he said why didn't I come in and scrub his back?

I walked in – he had a nice, stocky body, and a very nice semi-on! So I just kicked off my shoes and took off my clothes, then got in the shower with him.

I soaped his back, giving his bum a playful pinch. Then he turned around and grabbed me in a clinch.

My tits had been rubbing up against him and, now he was having a good old stare at them, he said they were the perkiest he'd ever seen. And I saw the semi he'd had was now at full mast.

The shower was pretty small without much room to manoeuvre, so he spun me to face the wall and slipped in my snatch from behind.

He nibbled on my neck as he fucked up inside me deep, as I fingered my own clit and gave him a squeeze. But the shower was a bit slippery, so we gave up on that idea!

He sat down on the loo and I went to get on his lap, but first he had me stand there with my bum about a foot from his face, so he could have a look and a play. Then he asked did I have any lube.

I felt butterflies in my stomach as I handed him some from a drawer, then

MY COCK STAYED IN HER BUM TILL I HOSED IT FULL OF SPUNK

My girlfriend Chrissy's one who gets really wound up if things aren't neat and tidy.

The state of my car was doing her head in so I told her she could do it herself, if she got nice and wet herself while doing it.

I dressed her in a short summer dress for her job. As the spray splashed off the bodywork, her dress got damp. I'd already realised she wasn't wearing a bra, but her brownish nipples gradually "melted" into view, as the fabric got wetter.

Now she started soaping it down. She wasn't squeezing foam and froth all over herself, but she wasn't avoiding getting covered in it either. As she stretched out to sponge the bonnet, her skirt rode up exposing a flash of the little white knickers she was wearing. Forget your lacy lingerie, I've actually got a bit of a thing for plain cotton panties.

In the end, though, she was totally soaking and she really got into it. Now she did turn the hose on herself, wetting her dress so it was clinging to her nipples with her knickers showing through. Then even they went transparent, so I could see the shadow of her thin bush.

I stood up and started snogging her, shivering as the cool water soaked through my clothes. She sprayed me for a laugh, then undid my flies, pulling my cock right out and dropping my pants.

felt him work it over my arsehole. Then he fingered me, first one, then two, then three, warming me up and opening me wider.

I was soon ready for a fucking but let him say when. At last, he had me sit back, lowering myself slowly onto his prong, savouring the feel of it slowly inching into my arsehole.

At last, when it was in down to his balls, we ground slowly against each other.

I started to finger my clit again and almost instantly I felt a big cum building up, and Davey grabbed me round the tits and waist, steadying me as I moaned and trembled my way to orgasm, my unstuffed pussy dripping hot juices all over his swollen balls.

I got my asking price for the house, and now I'm in a cosy little flat. I'm not on the lookout for a new partner just yet, but I don't want for cock. Davey's usually up for a bit of fun, screwing me in whatever hole takes our fancy…
Gemma, Birmingham.

I bent her over the bonnet of the car, pulling her panties down and flipping up her skirt. She groaned as I fucked her twat, spread-eagling her so I could pound in even deeper.

For such a neat girl, she knows how to play dirty – and she said she'd let me have her up the arse, as long as she got to watch me clean out the interior of the car. Talk about fucking blackmail, but I wasn't going to refuse.

After getting her wet and slippery with her own pussy juices, I thrust my cock slowly up her bum. She was groaning, knuckles white where she was clinging on to the car, but she was going to take me however I wanted to screw her.

I went easy on her at first, but when she seemed to handle gentle grinding, I started fucking her a bit harder and deeper. She seemed to like it when I pinched her hard nipples every time I pushed in.

As we screwed, I gave her bodywork a clean too, rubbing the soapy sponge over it, then spraying her with the hose. It got her thrashing round, but my cock stayed deep in her bum until I was hosing that full of spunk!

I kept my side of things, even vacuuming inside the sodding car.
Matt, Pembrokeshire.

MY HUSBAND IS SO TURNED ON BY MY SEX WITH STRANGERS

I recently had sex with two fit young black guys – these pics of my battered cunt were taken by my husband after they'd left.

I didn't want him watching though, so I took Ben and Jacob up to the hotel room on my own. Jacob relaxed in a chair as I sucked Ben's massive cock. Then he lifted me up, dropped me on the bed and ripped my thong off. He immediately went down on me with his lizard-like tongue, lapping at my gushing gash.

RUBBIN' HOODS!

Meanwhile Jacob stuffed his cock into my mouth. Ben now kissed me on the lips and pushed his big stiff cock right inside me. I gasped at the length as it hit the spot first time! Not only was it the longest I had ever had it was the widest too.

I wrapped my boot-clad legs around his body and pulled him in further. He was pumping away, like a big piston moving in and out. I gasped yes when he asked if he could fill me with his seed.

Jacob joined me on the bed. He lifted my buttocks up so I was on my knees doggy style. He rammed his large cock straight in my well used cunt with no warning. I gasped as he shoved it up to the hilt and gripped my hips fiercely as he kept pumping in and out.

By this time I was due another orgasm and came very quickly at the same time as Jacob rammed his thumb into my bum, my juices swilling Ben's cum over Jacob's cock. Jacob wasted no time then in ramming into me a few more times before shooting his hot spunk deep inside me.

He collapsed on top of me from behind, his softened cock still feeling big inside me. I rolled over onto my back, my pussy sore and wet. Ben and Jacob kissed me tenderly and left.

I texted my husband who came up immediately. He gets very turned on by the thought of me having sex with other men and when he felt all that spunk on his dick that wasn't his and how loose my sex was from the two big guys he only took a couple of strokes before filling me with his spunk too.

Three different men's spunk inside you is quite a feeling!
Jane, Staffs.
